Archie graduated from the University of Adelaide in 2008. He did his internship at Royal Adelaide Hospital, where he did rotations in General Medicine, General Surgery, and Emergency. He did his residency at Austin/Northern Hospitals with rotations in Rehab, Emergency and Paediatrics. His training took him to numerous clinics in the north and western suburbs of Melbourne.

Archie had spent five and a half years working at Southwest Medical Centre in Warnambool where he gained valuable experience in rural medicine and also was heavily involved in the supervision of GP registrars and medical students. Having lived in Melbourne most of his life, he has relocated back to be closer to family.

Archie has special interests in Chronic Disease Management, Paediatrics and Men's Health. Archie has done further training in Skin Cancer Medicine and is currently completing a professional diploma; he does skin checks and also minor procedures. Archie also works at Donvale Rehabilitation Hospital caring for patients that are undergoing rehabilitation.

Archie is married and is a father of two young sons. He enjoys travelling with his family and is passionate about motor vehicles.
