Dr Nicole Moriarty completed her Doctorate in Psychology in 2004 and is registered with the Psychologists Board of Australia, which is a component of the Australian Health Practitioner Regulation Agency. She is registered as a Clinical Psychologist, is a member of the Australian Psychological Society and an approved Psychology Board supervisor. She also attends ongoing professional development.

Dr Moriarty has worked in private practice since 2003 assisting adolescents and adults to improve their quality of life. Prior to this she was employed at a number of hospitals and local community agencies working with adolescents and adults. Dr Moriarty prides herself on ensuring a warm, empowering and engaging space for her clients.
