Thurs	9:00am – 3:30pm
Fri	9:00am – 3:30pm

[Click here](#) or call **9817 4233** to book an appointment.

Michael is an experienced GP, who has spent many years in a busy rural practice in the town of Colac, in western Victoria. He has been involved in the supervision of medical students and GP trainees, the provision of emergency medicine and anaesthetics services at Colac hospital, and was chair of the Visiting Medical Officers committee of Colac Area Health. He has undertaken additional training in chemical pathology and attained membership (by examination) of the Australasian Association of Clinical Biochemistry.

Michael also has research experience, completing his PhD in 1998 at the Royal Children's Hospital Murdoch Institute, in the field of molecular genetics.

He is interested in all aspects of general practice, including child and adolescent health, healthy ageing, and skin conditions. He has a special interest in metabolic and endocrine disorders, including lipids and weight management.

Areas of Interest:

- Child and adolescent health
 - Healthy ageing
 - Men's health
 - Metabolic and endocrine disorders
 - Skin disorders and removal of skin cancers and other lesions (non-cosmetic)
